# Library overview
3D characters and objects

Browse various scene examples below and discover all of the ready-to-use 3D models available to create with in the Delightex Pro Library!

All characters and animals can be brought to life using a variety of animations.

Most objects can be customized by editing their dimension, texture, color and more.

3D models marked with an asterisk are available in Delightex Pro.

Characters ● Animals ● Housing ● Nature ● Transport ● Items ● Special ●

Bathroom: Characters* | Dog | Clouds | Quad window* | Toilet | Bathroom sink* | Washing machine* | Bathtub with shower* | Bathroom sink with pedestal* | Bathroom cabinet* | Building blocks

Living room: Spiral staircase* | Armchair* | Spiky plant* | TV* | Low board* | Tablet* | Coffee table* | Door | Desk* | Office chair* | Vase* | Quad window* | Blinds* | Amphora* | Adjustable Window* | Building blocks
